

vision, I have sent the enclosed notice to the *Federal Register* for publication, stating that the emergency declared with respect to significant narcotics traffickers centered in Colombia is to continue in effect for 1 year beyond October 21, 1999.

The circumstances that led to the declaration on October 21, 1995, of a national emergency have not been resolved. The actions of significant narcotics traffickers centered in Colombia continue to pose an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States and to cause unparalleled violence, corruption, and harm in the United States and abroad. For these reasons, I have determined that it is necessary to maintain in force the broad authorities necessary to maintain economic pressure on significant narcotics traffickers centered in Colombia by blocking their property subject to the jurisdiction of the United States and by depriving them of access to the United States market and financial system.

WILLIAM J. CLINTON.
